

*High performance. Delivered.*

- Complete all sections of the online application.
- Attach your academic transcript (low resolution).
- Include your overall grade average & degree completion date.
- Establish relationships with recruiters now by attending events - ask for their advice & get their business card.
- Have voicemail.
- Ask questions about each interview stage.
- Focus on your career search, and research each company carefully in preparation for each interview.
- Communicate your authentic dreams and career aspiration.
- Be proactive; ask each recruiter when you can expect to hear back & follow up with a phone call.
- Leave clear voice mail messages; speak your name slowly & repeat your contact number.
